The greatest little indoor adventure...

Wroxham Miniature Worlds is the UK's largest indoor modelling attraction. From the largest model railways to the smallest details in our dolls house displays there is something for everyone to enjoy. Our layouts come in a range of sizes from giant G scale garden steam trains to tiny N gauge bullet trains with lots more in between.

Alongside our railway layouts are our vintage toy displays, slot car racing and vintage free-play video games. Come and relive your youth or show the kids how things used to be.

Come and join the more than 60,000 visitors who have enjoyed a great time with us so far. With even more new things coming in 2017 we are getting bigger every year.
